1

Strategy

Draw Conclusions

Focus: Turn to pages 12-13 in this book. What do you think the students learned by helping solve the loostrife problem?

Respond:

2

Strategy

Apply

Focus: If you visited a wetlands area, what would you do to make sure you don't carry seeds home with you?

Respond:

3

Strategy

Evaluate

Focus: Non-native plants are still coming into this country. Some stores sell them to people who want to plant them in their gardens. What do you think might happen as a result of this?

Respond:

4

Strategy **Drawing Conclusions**

Focus: Use a Drawing Conclusions Chart to tell about purple loosestrife.

Clue:
