Snapshots of Our Week

Reading: **Penguin Chick**

We will continue to focus on main idea and details. Details tell more about the main idea.

Writing:

In Grammar, students will focus on identifying the predicate of a sentence. We will also focus on personal stories.

Math: **Place Value/Rounding**

Students will practice reading and writing numerals to the hundred thousands this week. They will continue to learn about standard form, expanded form, and written form. Additionally, we will begin to discuss estimation/rounding.

Science/Social Studies:

In Science, we will discuss scientific models. While in Social Studies this week, we will use our map skills.

From The Teacher:

We are in the process of planning our field trips for the year. In order to help defer the cost of the field trips, the third grade classes are selling pizza and soda prior to Open House as a fundraiser. We are asking each family to donate a twelve pack of soda for this fundraiser. If you have any questions, do not hesitate to contact me. Please join PTA! The class with the most PTA memberships will be awarded with an ice cream party!
